HTJFC NEWS

NEWSLETTER

At Highworth Town Juniors we try very hard to keep parents, coaches and children up to date with what's going on.

With that in mind we thought we'd create our very first Newsletter with the plan of sending this regularly throughout next year.

If you would like us to include any other news or updates please feel free to send us suggestions using the email address below:

htjfckelly@gmail.com

Talking of kit - if your child needs any extra items or a new winter coat due to the December weather then head to our online shop to pick up some new items.

www.highworthtownjuniorsfc.co.uk/shop

● Sponsors

The first part of our Newsletter has to be a massive THANK YOU to each and every sponsor that has taken the time to donate valuable £'s to an individual team or the club as a whole.

We literally could not do it without them - the money they donate goes towards kitting each player out in their kit, with most teams having a home and away set. Purchases winter training items to keep them warm in the rain and snow that gets thrown at them.

Club sponsors help us with running costs of the club as well as new equipment when needed.

NEWS

3G PITCH IS ON ITS WAY

We are so pleased to be able to start our News section with a HUGE piece of news - the 3G pitch that Highworth has been working to secure for many, many years has finally received funding approval.

This pitch will make a great addition to both Highworth football clubs - it will replace the current Highworth Football Club ground but will be also be available for the Junior teams to use as well.

See below the full press release from Highworth Town Council.

HIGHWORTH 3G PITCH

Highworth Town Council is delighted to announce funding has formally been approved for the construction of a new state-of-the-art 3G stadia pitch at the Highworth Town Football Club site, thanks to investment from the Premier League, The FA and Government's Football Foundation alongside contributions from Highworth Town Council, Swindon Borough Council and a number of other funding partners. With both funding and planning permission now secured, this landmark project long envisioned by generations of local volunteers, players, and community leaders can now move forward to delivery.

The new all-weather 3G pitch represents a major investment in Highworth's sporting infrastructure and will significantly expand access to high-quality, reliable playing facilities for the whole community. Designed for year-round use, the pitch will support junior and senior football, school sport, women and girls' development programmes, recreational leagues, disability-inclusive sessions, and wider community activity, regardless of weather conditions.

"This is a tremendous day for Highworth," said Councillor Julie Murphy, Mayor of Highworth. "At long last, thanks to the tireless work and partnership between our local football clubs and the Football Foundation, we have secured the site, planning permission and the funding to make this 3G pitch a reality."

We are lucky to have over 20 teams under the flag of Highworth Town Juniors FC - we are always looking to add to our teams but also to set up new teams so that we can offer football to even more children.

At the moment we have spaces on the following teams:

- **U14 Mixed Team**

Please email htjfcckelly@gmail.com with your child's name and date of birth and we will get back to you. Also can we ask that you share with family and friends so that we may attract more children and get them enjoying football with friends!

NEWS

WINTER TRAINING

HTJFC teams are all now in winter training away from the club grounds with only matches being played at home.

Teams will be back at the club for training from Saturday 7th March 2026.

FOOTBALL BOOT SWAP

If you are in need of new football boots, then feel free to bring the pair that are too small and swap with a bigger pair. Kept in the club lounge, usually on the window sill or ask a member of the coaching/committee to help you.

HTJFC Club House

VOLUNTEERS

VOLUNTEERS

HTJFC are only as good as the volunteers that help make it all tick including our Committee and our Team Managers and Coaches. Without them all we would not be able to offer as many children the opportunity to play regular football whilst making local friends and building confidence that will stay with them for life.

The more volunteers we can get to join us the more teams we can have at the club and the more children we can offer spaces to.

If you have the time to help with our Marketing efforts, or with fundraising or become a Team Manager or Coach then please feel free to reach out. Even if it's just for an initial chat, with no pressure.

2026 END OF SEASON AWARDS

SATURDAY 6TH JUNE
2026
10.00AM - LATE
FOOD, BAR, BOUNCY
CASTLES & DISCO

PRESENTATION DAY!

SATURDAY 6TH JUNE 2026

After a full season of training and playing matches the kids deserve their time to shine. Bring them along to our End of Season Awards and invite relatives and friends to come along too.

There will be food, drinks and lots of fun things for the kids to do including an enormous inflatable obstacle course. Straight after the awards we will have a disco in the marquee - get on the dance floor and show the kids how it's done.

Starting at 10am and finishing LATE!
